

Bug Out (2-3 players) Add in the additional “Bug Out” cards to your task cards. Players take turn picking task cards, reading them aloud and answering question. Students keep the cards they answer correctly. If a “Bug Out” card is pulled, student must put all their cards in the “Trash” pile. After all cards have been pulled, whoever has the most task cards left in their pile wins!

Fly Trap (2 & 3 person game boards included)
Students must answer task cards to move forward. First one to the finish wins. Watch out for “Fly Trap” cards though, you don’t want to lose a turn!
