# Chance Scenario Sorting Game

I'll have a birthday next year.

My class will go to the cinema today.

I will attend school today.

I will have homework tonight.

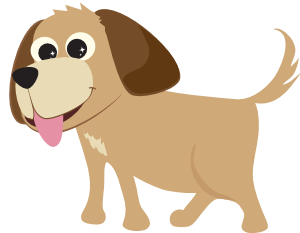

It will rain today.

I will go to my friend's house after school.

The principal will give each class a puppy.

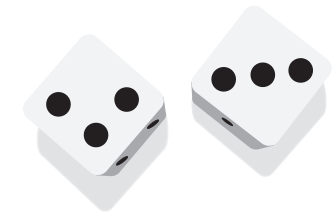

I will win a prize in the raffle I did not buy a ticket in.

I will sleep in my bed tonight.

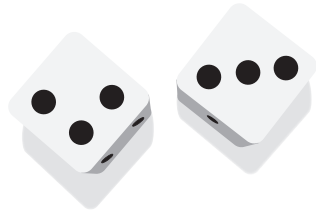

I roll a factor of 6 using a 6-sided dice.

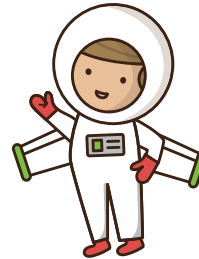

I will toss a coin and it will land on heads.

I will roll a number greater than 3 on a 6-sided dice.

I will fly to the moon today.

There will be one Wednesday in this week.

I will choose a King from a full deck of cards.
