

# MERRY MULTIPLICATION

Complete the multiplication wheels below:

The worksheet contains nine multiplication wheels, each designed as a circular spinner. Each wheel is divided into 10 equal segments, numbered from 0 to 9. The center of each wheel contains a multiplication sign and a number. The wheels are arranged in a 3x3 grid and are decorated with various Christmas-themed icons: a star, holly leaves, a Christmas tree, a reindeer, and another star.
