**London In Only A Month**

On the first Monday of next month, my brother and I are travelling to London. Together in London, we are likely to spend much money on a dozen tourist-type activities before returning to the comfort of our hotel. On the following day it is likely that my brother and I will spend another day sightseeing in this magnificent city. After another several days of touring and sightseeing, we should be quite familiar with London and its sights. I am quite sure we will have a lovely time in magical London.
